

MEMORANDUM

Missouri Department of Transportation
DIVISION
LOCATION

TO: Bill Yarnell
Division Engineer, Design

CC:

FROM: Steve Knobbe
District Engineer - 6

DATE: December 29, 1993

SUBJECT: Design
Route I-270, St. Louis County
Route 100 Interchange (Des Peres Road)
Job No. J6I0651
Right of Way Approval (Amended)
Condemnation Required

On November 5, 1993, I approved the right of way plans for the above mentioned project with the description as follows:

PARTIAL CONTROLLED ACCESS
ROUTE I-270, ST. LOUIS COUNTY
JOB NO. J6I0651

Revising detail plans previously approved by the Commission/District Engineer on August 3, 1990 by withdrawing said plan sheets 5, 6, and 11 and substituting in lieu of revised plan sheets 5, 6, and 11. The amendment providing for temporary easement for utilities, drainage and demolition on parcels 6, 7A, 8A, 13, and 14.

Approved On: 9/8/93 by District Engineer

Approved On: 11/5/93 by District Engineer

Please forward three (3) certifications to this office for proper filing with the county and city clerks and circuit court of St. Louis County. One set of signed and sealed plans are enclosed for your files.

If you have any questions, please contact Jim Middleton, Project Manager at (314) 340-4377.
